Sunday

Communion Service 9.30am-10.30am

This service also incorporates the Junior Church.

There is the option of including the Baptism in the regular Sunday morning worship at 9.30am and this can be arranged for most Sundays with sufficient notice; we would ask you to attend church in the month before the Baptism if you choose this option.

Church Information

Baptism at St Martin's

If you would like your child baptised (christened is another word for it) at St Martin's, forms are available from the Centre Reception. Simply complete the details required and hand the form back into reception. We will ring you as soon as possible.

Setting a date

You will need to come and meet with us on either Wednesday morning or Sunday morning where we will discuss the service with you and set a date. We generally do Baptisms on the first Sunday of the month at 11.30am.

As Baptism at St Martin's is a popular event, it is best to contact us as soon as possible as there is generally a few months' wait for bookings.

If you have any questions about baptism, please do contact the Curate on 0191 2769011.
